Our Products And Services

Currently, we offer:

- **50ppm Diesel** with plans to include 10ppm Diesel due to market demand.
☛ *Minimum Diesel Order : 1000 Liters and upwards.*
- **ULP 93 & 95 Petrol.**
☛ *Minimum Petrol Order : 4000 Liters and upwards.*
- **Diesel Testing Equipment, charts, dip sticks and other related products.**
- **Oils, degreasers** and potentially gas in the future.
- **Flowbins with Flow Meters – Once off purchase.**
- **Tanks with Flow Meters:**
Option 1: Existing clients, free of charge including maintenance (tank and meter remains the property of Steadfast Fuels) with contractual diesel supply by Steadfast fuels only.
Option 2: Month to month lease with the ownership of the tank and meter remaining with Steadfast Fuels.

We provide free delivery on Diesel and Petrol Deliveries.

With every Diesel delivery we provide free water testing and density testing.

For Diesel order exceeding 5 000 Liters we provide complimentary IP testing.

Lab Test Reports will also be provided to our Clients.

Our flexible payment options include COD and Credit Accounts.

Our Vision

Steadfast Fuels, rooted in the diesel industry, has grown from humble beginnings, and is driven by a deep seated, passion and extensive knowledge accumulated over the years. We envision establishing a leading presence in the petroleum supply sector, underpinned by our commitment to integrity, excellence, and community growth.

Our Journey

Since April 2014, we have been immersed in the diesel industry, learning and growing from various roles within diesel depots and truck stops. This experience, combined with our family background in the industry, has shaped our understanding and passion for this business. In 2017, my business partner, joined the diesel industry, further solidifying our combined expertise and dedication.

Our Start

We began our company from scratch, fueled by our unwavering determination and the support of a reliable supplier and a significant client who believed in our potential. With the guidance of our mentor, we have laid a strong foundation, structured our business strategically, and navigated numerous challenges to establish ourselves as a united team ready to take on the industry.

Our Aspirations

Our goal is to grow from a small startup to owning and operating our truck stops and fleet of trucks, serving clients across South Africa. We aim to build a loyal and trustworthy team, providing opportunities to individuals often overlooked by other companies, fostering their growth, and enabling them to reach their full potential within our organization.

Client Relationships

We are dedicated to building strong, transparent relationships with our clients, ensuring they receive exceptional service and feel comfortable addressing any concerns with us directly. Our commitment to integrity and long-term success means we prioritize ethical business practices over quick profits, creating a sustainable and reliable company.

Our Commitment

We are committed to continuous learning and improvement, implementing new knowledge to strengthen our business. By fostering an open and collaborative environment, we aim to build a company that not only thrives in the market but also positively impacts the lives of our employees, subcontractors, and clients.

**EMPOWERED BY FAITH,
DRIVEN BY PURPOSE.**
